

INTERVIEW HACKS TO GET YOU HIRED

LATOYA CAVE

FIRST THINGS FIRST....CALM YOUR NERVES!

Nothing screams ill prepared or lack of confidence than a nervous candidate. Relax interviewing is just conversation, so don't believe the hype when the panel tells you that it's okay to be a little nervous. This is a test and your first face to face interaction. Show the hiring manager that you can handle pressure and that you are confident about who you are and the skills you offer.

RESEARCH, RESEARCH!

Before an interview, it is very important to learn about the organization.

Having a general knowledge about
an organization will also help you to think of questions to ask at the end of the interview. So, as you are researching, if you think of something you would like to know about the job or the organization, write it down on a list and refer back to that list before your appointment.

DRESS FOR SUCCESS!

Your appearance is important, make sure you have - Neat, clean and conservative clothes, clean and brushed hair, clean and suitable shoes, minimal make-up and jewelry. Ladies, if your nails are painted, make sure the polish is fresh. The key is looking polish and professional!
